Getting Ready to Help: A Primer on Interacting in Human Service. Direct support staff who serve individuals with a wide range of disabilities--including developmental, psychiatric, and traumatic brain injuries--will explore these and many other questions in this practical, provocative, and inspirational handbook. Download Getting Ready To Help A Primer On Interacting In Human Service This very long post is intended to replace the previous one on transference disasters and give patients and therapists a sense of how attachment to one's therapist can come about and what to expect. It is also intended to "McMorrow's Getting Ready to Help is much more than a primer. It is a philosophy and approach to helping people, regardless of their disabling conditions or the accompanying behaviors, with dignity and respect.
