

Download Legal Battles That Shaped The Computer Industry

Internet pornography is a battlefield in U.S. law. Since the explosion of public interest in the Net in the 1990s, the public, lawmakers, and the courts have argued over how to control online porn. Congress and state legislatures have passed several laws aimed at protecting children from exposure to so-called cyber porn, but the most sweeping of these have often failed to pass constitutional tests. Uranian astrology is an innovative system of astrology developed at the start of the 20th century by Friedrich Sieggün (1877-1951) and Alfred Witte (1878-1943), two pioneers of the modern-day astrological revival.
