It has been a standard of American-built, full-sized luxury cars for almost a century, with V8-engine power, a comfortable ride and a full array of power amenities. The 2009 Town Car remains Lincoln's entry into the luxury sedan segment. Accordingly, it is very well equipped with power leather seating, cornering lamps, automatic headlamps, Keyless entry, heated exterior mirrors with a left-hand auto-dimming feature as well as a memory function, a 6-disc CD changer, dual-zone climate control, power adjustable pedals with memory, remote trunk closing and an... There is no component more complex and essential than a car's transmission. Automatic transmissions are responsible for shifting gears without driver input to change gear ratios in an efficient manner as the vehicle moves forward, freeing the driver from having to shift gears manually.
