This is a collection of 100 STEAM Projects created for teachers and educators to do with youth. Each project encourages exploration, modification, and students to pursue their own ideas and curiosities. The best commercials from this year's Super Bowl Amazon's self-deprecating advert about Alexa has more than 37 million views on YouTube Adult Talks. 10am - 11am In the Footsteps of the Invisible Witch with Tracey Norman . Step back in time with local author and playwright Tracey Norman as she reveals the secrets of an obscure Lyme Regis court case from 1687 and how it inspired her to write her acclaimed play WITCH. Arripis is a genus of marine fishes from Australia and New Zealand, known as Australian salmon, kahawai and Australian herring. They are the only members of the family Arripidae. Despite the common name, Australian salmon are not related to the salmon family Salmonidae of the Northern Hemisphere, just as Australian herring are not related to herring of the Northern Hemisphere, but belong to the ...
