

Download Parish Nursing Promoting Whole Person Health Within Faith Communities

Faith Community Nursing | Health Ministries Northwest is an interfaith, non-profit agency that initiates, develops and supports faith community nursing / health ministries throughout the Pacific Northwest. Improving the Lives of Older Adults through Faith Community Partnerships: Healing Body, Mind and Spirit This 25-page booklet makes the case for greater partnership between health care organizations and faith communities in service to the elder populations they serve. Nursing is not for everyone. It takes a very strong, intelligent, and compassionate person to take on the ills of the world with passion and purpose and work to maintain the health and well-being of the planet. The Benefit of Compensation Guidelines for Faith Community Nurses . We who are called into health ministry are sometimes unsure what we should negotiate as compensation for sharing our time and expertise.
