electricity • ...Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...image from Moon Connection. My kids study phases of the moon in 4th grade and both girls seemed to have problems with getting Waxing versus Waning straight in their heads despite a week of study. What Is a Map? Just like your house key opens your front door, a map key or legend opens up a map. The map key is what gives you all the information you need for a map to make sense.
