Greetings everyone, I'm a new member looking to buy a SeaDoo PWC with a 1503 engine, but even after hours of research I'm still missing some important information. Based on what I've been able to put together, the engine block for the 1503 has been manufactured without modification from 2002 to 2016 and has been used to make, stock from the factory, 130hp, 155hp, 215hp, 260hp, 300hp, and other ...Aircraft in fiction covers the various real-world aircraft that have made significant appearances in fiction over the decades, including in books, films, toys, TV programs, video games, and other media. These appearances spotlight the popularity of different models of aircraft, and showcase the different types for the general public. United States: Fort Worth
